
Countryside Roofing & Exteriors, LLC**Roofing Installer**

Countryside Roofing & Exteriors, LLC (Strasburg, PA), an established and growing company is seeking an experienced roofing installer with a “can do and get it done” attitude to join our team. Our selection standards are high so it is important that you go through a hiring process to insure that you will be a “fit” with the commitments of the company and a “fit” with the requirements of this position. You must be a “roll up your sleeves” and “get the job done no matter what” type of individual.

Company Overview

Since 2001, Countryside Roofing & Exteriors has been a trusted roofing contractor serving customers across Lancaster, PA, West Chester, PA and Wilmington, DE and all surrounding areas. Our roofers have helped hundreds of customers by providing quality roofing solutions for their needs.

Typical Work Week

1. Assist the Foreman and Mechanic with tear off, installation of materials and clean up efficiently.
2. Manage yourself and safely set up equipment in a timely manner.
3. Install roofing materials in a professional manner.
4. Assist with inventory control, account for materials and report any shortages or missing materials.
5. Assist with the maintenance of tools and equipment.
6. Assist with safely loading and unloading of trucks.

Requirements

- Pass a background and drug check.
- Verifiable references.

Personal Attributes

1. Able to “take charge” when necessary gain the desired result.
2. Responsible and accountable for their results.
3. Competitive and ambitious.
4. Results oriented – goal driven.
5. Capable of handling multiple projects simultaneously.
6. Willing to “speak up” when necessary to achieve the desired results.
7. Works successfully without requiring close supervision.
8. Positive attitude – team player.

Compensation

Starting salary based on experience. Raises based on your contribution to the company, not length of service. Our company offers a paid vacation, paid holidays and company bonus.
